SNHRCC

Southern New Hampshire Radio Control Club
June 2024

Meeting Schedule

Next Meeting JULY 8, 2024

Club meetings are held on the second Monday of each month.

Next meeting

To be held at 7p in the Community Room of the Litchfield Fire Dept, 10 Liberty Way, Litchfield, NH.
(Last page is map of parking)

The Bullsheet is published by the Southern New Hampshire Radio Control Club (SNHRCC), Inc, a non-profit Academy of Model Aeronautics (AMA) Chartered Club #408, for the promotion of building and flying Radio Controlled (RC) model aircraft.

Greetings Folks!

I hope you all have been enjoying your summer, but I'm sure spirits are a little bit down considering we haven't been able to use our field. I want to assure everyone that we are working as hard to get it back. We have had quite a few monkey wrenches thrown our way but we still have a majority of the Board members and the town vote on our side. As always, we welcome anybody who would like to help in the fight, and we will go over everything in a lot more detail at this coming meeting.

Coming up this summer will be the Darrell Wagner memorial Fun Fly which has yet to have a date determined. We will most likely have this at the Concord Skyhawks field which is beautiful and a fantastic club. Please let us know if you'd like to help out, doing a fun fly is a lot more fun than town politics!

Last and certainly not least I'd like to thank Virgil Hernandez for taking over the position of Newsletter Editor. Having a great newsletter is something that really keeps a club together and makes it feel cohesive which is extremely important for us at this time. Everybody give Virgil your thanks and send him anything you'd like to see in the newsletter...build pictures, flying pictures, or crash pictures, or maybe a mini-review of the new plane you just bought, built, flew, and crashed.

SOUTHERN NH RADIO CONTROL CLUB MEETING MINUTES

JUNE 10TH, 2024

LITCHFIELD FIRE COMMUNITY ROOM

OFFICERS IN ATTENDANCE: CODY, MARK, ED, AND JOHN

SECRETARIES AND TREASURER'S REPORTS WERE READ AND ACCEPTED.

CODY PROVIDED AN UPDATE ON THE HUDSON SITUATION. AN AMENDED VERSION OF THE 2019 AGREEMENT WILL BE PRESENTED BY CODY TO THE SELECTMEN FOR A 1-YEAR PERIOD. DRIVING ON THE ROAD AS PROPOSED WILL BE ONLY AS FAR AS THE ORIGINAL ROAD, WALKING IN FROM THERE TO FLY WILL BE PROPOSED.

THE AGREEMENT WILL BE ON THE JUNE 11TH BOARD OF SELECTMEN'S AGENDA. THE TOWN HAS SELECTED AN ENGINEERING FIRM TO DO THE TESTING AND EVALUATION.

MARK WOULD LIKE TO MAKE SURE THAT THERE HAVE BEEN MULTI-YEAR REPORTS AND SIGN-OFF FOR THE LANDFILL.

A QUESTION ABOUT CONTACTING AN ATTORNEY WAS RAISED, ALSO A QUESTION WAS ASKED ABOUT ANY HELP THE AMA COULD PROVIDE.

BRIAN ASKED IF THE AMA COULD HELP WITH LEGAL FEES, JOE MENTIONED GO FUND ME AS A POSSIBLE SOURCE OF MONEY TO COVER COSTS. PER LAST MONTH'S MEETING NO PR FIRM ARE TALKING TO US YET.

JUNE 11TH IS THE BOS MEETING. THERE WAS MORE DISCUSSION.

BRIAN SUGGESTED A RTK WITH REGARDS TO KEARSARGE AND MALIZIA'S LAWYER COMMENT.

BRIAN SUGGESTED HUDSON RESIDENTS CONTACT THE SELECTMEN AND URGE THEM TO SUPPORT THE CLUB.

FINALLY, THERE WAS SOME FUN DISCUSSION ABOUT FLYING AT DERRY AND A POSSIBLE DARRELL WAGNER FUN FLY TO BE HELD AT CONCORD.

JOHN HAYS

SECRETARY

Message from The NH Flying Tigers Derry NH

A proposal was published in the NHFT April newsletter and reviewed at the NHFT April club meeting to assist members of the SNHRCC in Hudson NH. In support of SNHRCC and our hobby, I'm pleased to share proposal amendments as voted in unanimously by NHFT club members present:

- 1) Any SNHRCC member that joins NHFT in 2024 will receive a 50% reduction in dues.
- 2) NHFT will accept new members by majority vote at club meetings as applications are received.
- 3) Members from SNHRCC can visit our field at any time and will be notified when gates are open.
- 4) Non-members do not have access to the field with our gate combination, and must be present with a member of NHFT.
- 5) Non NHFT members do not have voting rights at meetings but welcome to attend and ask questions.

Already, some SNHRCC club members have joined, with more applications coming in. For those I met at the field, I find them to be a great bunch with much to share. Two new members have perfected the art of snagging planes out of tall trees! Yes, it happens, and yes they have a solution to be shared in a future video! It's a great feeling to see new people at NHFT, with new friendships made. Above all, we hope that somehow the Hudson Landfill situation will result in keeping your flying site.

Paul Pazolt, President
NH Flying Tigers

NFT Flying Field is at 1 B Street in Derry, NH

Photo's from Wagner Field One Year Ago

I hope the photo's of Wagner field brought back the joy and fun. Great Friends, and our Flying Machines, and those great times will always remain with us.

I'm lucky to continue the tradition of SNHRCC Bullsheet. Thanks John and Cody for getting me started.

More than anything, keep the fun alive. Keep Flying!

The Recreational UAS Safety Test (TRUST)

<https://www.youtube.com/watch?v=ZklBwvy6gZc>

This video explains the TRUST Test REQUIREMENT.

<https://trust.modelaircraft.org/>

This is the Course/test site.

ABOUT THIS TRAINING

WELCOME TO THE RECREATIONAL UAS SAFETY TEST (TRUST)

The Academy of Model Aeronautics is an **FAA-approved Test Administrator of The Recreational UAS Safety Test** (TRUST).

TRUST is a collaboration between the FAA and industry to provide TRUST and educational safety material to Recreational Flyers.

Recreational flyers can access the TRUST here by clicking START below!

Upon completion of the test recreational flyers should print or save a digital copy of their completion certificate and keep it on their person when they fly. The Academy of Model Aeronautics cannot re-issue your completion certificate if it is lost. The FAA cannot re-issue your completion certificate. Should you lose your completion certificate, you will need to re-take TRUST and obtain a new certificate.

NOTAM

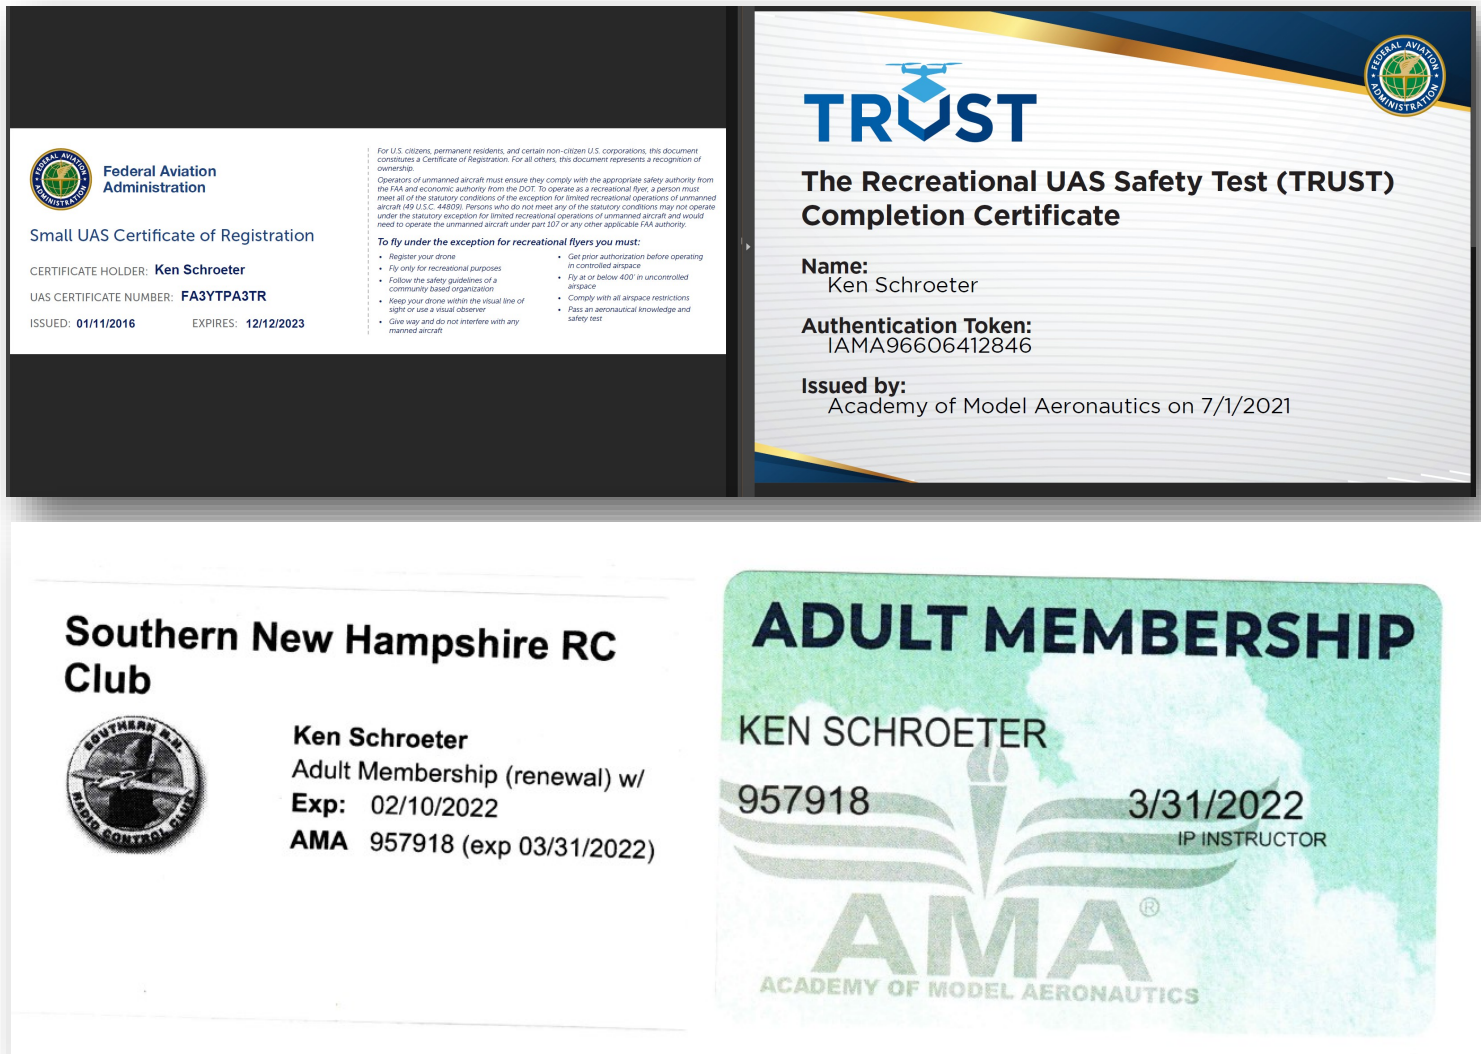

This is a requirement of the AMA and FAA, so please take the few minutes to take the course. The “test” is a set of slides explaining the knowledge base required, followed by a few “keep doing it until you get it right” questions that is the actual test. Its quite simple if you watch the slides. You will need to keep a copy of the certificate with you when flying. Once and done forever.

No whining,

REQUIRED FLIGHT DOCUMENTS

These are the required documents to fly at an AMA Chartered Field.

For the FAA you technically only need your FAA Number where it can be seen on your aircraft in plain view (i.e. not inside). I keep them in my radio box.

1. FAA Drone Registration Number/Card
2. TRUST Certificate
3. Current Club Card
4. Current AMA

SNHRCC Winter Meeting Spot!

Our meeting spot is in the Community Room of the Litchfield Fire Dept. Please pay attention to the parking restrictions that are made to accommodate the Volunteer Firefighters on call. **Violators will be mocked until they move their vehicles.**
